Care is at the Center of Everything We Do

Pacific Care Center is dedicated to the physical and emotional well-being of every individual we serve.

Located in Pacific, Missouri, we uniquely offer small town friendliness along with our expert services and comfortable, home-like environment.

The personalized attention our experienced care team provides to both residents and families ensures that every individual's social, medical, and physiological needs are met.

A helping hand is always close and willing to respond quickly to any need at Pacific Care Center. Should the need arise, we can provide comprehensive, professional skilled nursing and rehabilitative services to assisted living residents without needing to go to a separate facility for these services.

Pacific Care Center is committed to making a positive difference in the lives of every resident and family we serve by combining our high-quality skilled services with heartfelt caring.

"The care is excellent, the facility is clean, and the people are respectful."

Assisted Living

The Terrace Assisted Living at Pacific Care Center offers seniors warm spaces and friendly faces in our close-knit assisted living community.

Seniors thrive within this home-like atmosphere, finding their optimal levels of independence, social interaction, and wellness. Seniors can build relationships with peers and enjoy the camaraderie of others with like interests. They can also find health, safety, and well-being – as well as peace of mind for their family members.

The Terrace senior living promotes the independence and dignity of each individual with customized nursing services and personal care assistance available 24 hours a day, including help with activities of daily living and medication administration.
